Subject: Southampton Harvest 1996

Dear Sam:

How are you doing? I hope you are doing well in Coral Harbour. As per our telephone conversation from Monday, November 27th., I was wondering if you would be able to give me the following information.

1) Attached you will find a list of all the people from Coral Harbour who participated in the 1995 Southampton Harvest. Would you be able to review the list and identify which individuals will be participating in the upcoming caribou harvest in 1996.

2) Would you be able to count how many pallets, combos and plastic meat bags ~~one~~<sup>are</sup> remaining from the 1995 harvest.

If you could provide the following information as soon as possible it would be greatly appreciated. If you have any question please feel free to give me a call.
