Nunavut Wildlife Management Board

WE'RE

HIRING!

Summer Intern

Do you aspire to a career in wildlife management and want to gain meaningful experience supporting collaborative partnerships with Inuit communities, while learning how to integrate Inuit Qaujimajatuqangit and science into wildlife management decision-making?

Apply before: March 27, 2026

Potential start date: May 1st, 2026

NWMB office location: Iqaluit, Nunavut

Hours of work: Full-time (37.5 hrs/week)

Full pay and certain benefits included

About the Internship

This internship offers an opportunity to learn about the wildlife management system through direct exposure and practical experience. You will attend and observe meetings, engage with staff and partners, and build your understanding of how wildlife management decisions are made. The internship will conclude with a presentation and a written report reflecting on your experience and key learnings.

This position is open to Nunavut beneficiaries under the Nunavut Agreement

Key Qualifications

- Interest in pursuing a career in wildlife management, environmental stewardship, or a related field.
- Ability to learn independently, take initiative, and work collaboratively within a team environment.
- Fluency in both written and spoken English, with proficiency in written and spoken Inuktut an asset
- ·Must be a student returning to studies in the fall or have just successfully completed post-secondary studies (incl. NAC or NS).

If you are interested, please apply today! We look forward to hearing from you.
