Dear Mr. Shewchuk:

RE: Extension Request for the Inuktitut Translations of the Written Response to the Government of Nunavut, Department of Environment's Proposals to Establish Total Allowable Harvest of Bathurst and Bluenose East Caribou

The North Slave Métis Alliance ("NSMA") would like to request a 1-week extension to submit the Inuktitut translations of our Written Submissions respecting above two proceedings.

Unlike many other Aboriginal organizations, NSMA does not receive core-funding to operate our office. Currently, our one-person Lands Department is facing severe capacity constraints, and consequently cannot provide the English version of the Written Submissions to the translator in a reasonable time.

NSMA will provide the English version of the Written Submissions to the Nunavut Wildlife Management Board by May 12th, 2016.

We appreciate your understanding. Should you have any questions please do not hesitate to contact the undersigned.

Sincerely,

Shin Shiga
