

this removal is lower than the Department of Environment recommended sustainable harvest rate of 2%);

- Grizzly bear sport hunting provides important economic benefits to communities;
- Twelve (12) Hunter and Trapper Organizations in the Kitikmeot and Kivalliq Regions were consulted on the proposal and their recommendations were taken into consideration in determining the number of sport hunting tags;
- Other Co-Management partners supported the Department of Environment's proposal to establish grizzly bear sport hunt during the NWMB Regular Meeting (RM 003-2017) on September 11th 2017;
- The proposal maintains historic levels of grizzly bear sports hunting limits of 10 tags for each of the Kitikmeot and Kivalliq Regions that was set by the Government of Northwest Territories.

The NWMB looks forward to your prompt reply and timely completion of the *Nunavut Agreement* Article 5 decision-making process. Should you or your officials have any questions or concerns about the content of this letter, please contact the NWMB.

Yours sincerely,

Daniel Shewchuk
Acting Chairperson of the
