Dear Mr. Shewchuck,

Re: Government of Nunavut – Department of Environment Proposal for a sport hunt limit for grizzly bears in Nunavut

Thank you very much for your decision concerning the Department of Environment's Proposal for sport hunt limit for grizzly bears in Nunavut.

To reiterate the decision of the NWMB:

Resolved that pursuant to Section 5.6.16 of the Nunavut Agreement, the NWMB establishes an annual leave of harvesting in each of the Kivalliq and Kitikmeot regions of 10 grizzly bears for non-Inuit sport hunters.

Further recommends that the Department of Environment, working with Co-Management Partners consider amending its wildlife legislation (Nunavut Wildlife Act and/or Nunavut Wildlife Regulations) to include provisions for administering grizzly bear sport hunting.
