Mr. Willie Nakoolak
Acting Chairperson
Nunavut Wildlife Management Board

Dear Mr. Nakoolak:

Thank you for your letter of May 12, 2010, to Minister Prentice in which you request the COSEWIC status report on Horned Grebe in English and Inuktitut.

Environment Canada has undertaken the translation of the status report, a final copy of which was forwarded to your office on June 22, 2010.

Subject to the status report being provided within a timeframe that the Board finds manageable, I would be pleased to accept the abridged timeline that you propose in your letter. I note that the adoption of this plan also requires its acceptance by other associated parties.

Please accept my best wishes.

Sincerely,

for

Virginia Poter
Director General
Canadian Wildlife Service
