Re: 9000000

On October 14, 2009, Delta Regional Development Agency (Delta) requested information regarding the proposed Delta Regional Development Agency (Delta) project. The project is a major development project in Delta, British Columbia. The project includes the construction of a new Delta Regional Development Agency (Delta) building and the expansion of the Delta Regional Development Agency (Delta) office space. The project is estimated to cost \$3.9 million. The Delta Regional Development Agency (Delta) is a public agency that provides a wide range of services to the Delta community. The Delta Regional Development Agency (Delta) is committed to providing high quality services to the Delta community and to ensuring that the Delta Regional Development Agency (Delta) building and office space are designed and constructed in an environmentally sound manner. The Delta Regional Development Agency (Delta) is currently in the process of reviewing the Delta Regional Development Agency (Delta) project and will provide a response to Delta as soon as possible.
