**Re: TAH Foxe basin PB**

Dear Leah,

Our current quota /credit for our community are 8 tags.

We are not satisfied with the quota/credit system that is used. We recommend that we get an increase of extra 4 tags for our community. We had deterrent kills last year and this spring.

We really would like to see an increase on our Foxe Basin tags by 4 to make a total of 12. We use to get 3 tags for WHB but we have been removed from this system and we lost the 3 tags that we think should be transferred to our Foxe Basin tags.

If you have any questions or concerns, please contact me anytime at my office (867)898-9951.

Sincerely,
