Dear Mr. Spaulding:

**Re: NWMB Southampton Island Caribou TAH Proceeding**

---

Enclosed please find answers to NTI's July 8, 2015 questions of the Government of Nunavut. I regret the delay in responding. A number of challenges presented themselves over the summer and I was unable to pull the answers together and get instruction to forward them until August 28, 2015.

Also enclosed you will find a series of questions for NTI in relation to witness statements and documents filed on NTI's behalf.

Yours truly,

John Donihee  
Counsel

Encl.
