1. Opening by A/Chairperson

The Chairperson convened the meeting at 4:00 p.m. and welcomed members.

2. Review/Approval of Agenda

The agenda consisted of one item that being a decision on whether or not to proceed with Special Meeting No.12 for May 8-12, 2006 as some crucial documents had yet to be translated.

3. Decision on Status of Special Meeting No. 12

The Chief Operating Officer advised members that translations of some of the most important documents for Special Meeting No.12 had not been received and it was recommended that the meeting not proceed as scheduled. It was noted that this was the third postponement of this meeting but that this delay would allow more time to better prepare for the meeting. Members briefly discussed when this meeting might be rescheduled. The Board decided (**Resolution 2006-088**) to postpone Special Meeting No.12 due to lack of translations and to advise

the public through an urgent press release that the meeting had been cancelled until further notice.
